

Eden Lake

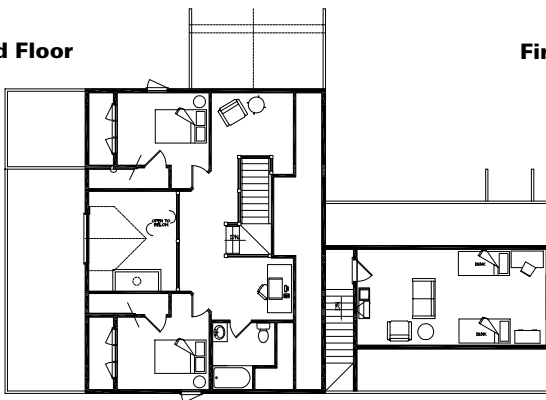

MODEL: Eden Lake
SQUARE FOOTAGE: 2,079 SQ. FT.
4 Bedrooms, 2 Baths

Revitalize yourself in comfort. This delightful cottage combines the pleasure of unpretentious style and the elegance of rustic character. The Eden Lake offers a flowing floor plan for modern living. An alluring canopy porch greets you just before stepping into the entry, featuring a cozy dining nook and handsome log staircase. The inviting great room has a cathedral ceiling, fireplace and opens to a covered porch. The kitchen features a work island and opens to a charming screen porch that expands the dining area. The master bedroom and laundry are conveniently located on the main level. The second floor offers an over-look to the great room, two bedrooms, a full bath, a private reading nook, and space for an office. The bonus room over the garage can provide a one-bedroom apartment or an ideal setting for young adults.

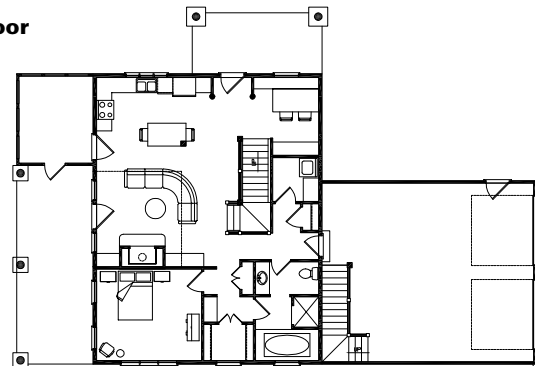

Our Design Build Solution combines architectural design, interior design and décor, and construction.
