

DREAM KITCHEN

No matter what the architectural style of your dream home - Log, Timber or Hybrid - the kitchen continues to be the heart of your home. It's the place where family and friends feed their bodies as well as their souls.

With attentive ears to all your design ideas, our design team will create a kitchen that not only functions well, but one that reflects your individual tastes and preferences. From cabinet layout and selection, lighting and flooring choices, to furnishings and paint colors, our full-service interior designer will help you create your perfect kitchen.

Wisconsin Log Homes' design-to-build services and over 30 years of experience has its advantages - it means your project will be cost efficient, finished on schedule, and result in a kitchen that serves your family's lifestyle. Our team has a talent for pulling your visions, needs and thoughts together to create your dream home – one room at a time.

"Your interior designer truly listened and understood our kitchen needs. She brought so many refreshing and creative ideas to our attention that make our kitchen more beautiful and functional than we ever imagined. Our kitchen is the heart of our home and really pulls everything, including our family and friends, together."

-C. Mikota

Function and flow are important aspects of comfortable living. Details like where your garage is in relationship to your pantry, where your dishes are with respect to your dishwasher and table, and placing appliances and cabinets within easy reach are important to you and us.
