WITH WISCONSIN LOG HOMES

Briar Lodge

First Floor: 1986

Second Floor: 1847

Foundation Level: 1740

Total Square Footage: 5573

An impressive 5573 square feet, the Briar Lodge combines American Craftsman style with European Bavarian design elements. Its long rectangular design allows expansive views of your ideal lot. With five bedrooms, four and a half baths, and a bunkhouse style bonus room, this family-friendly lodge is the ultimate retreat for both entertaining large groups and private get-a-ways.

Whether you're looking for log, timber-style or a hybrid design with a combination of products, we have an extensive library of home designs in a variety of styles and sizes. We can blend elements of several different designs to create a home to fit your personal lifestyle, or we can start from scratch.

From planning and architectural design, to construction, to interior design and décor, we have perfected our *Design Build Solution* to give our homeowners the ultimate dream home experience.

Call 1-800-678-9107 and one of our home consultants can answer any questions you might have or help you get started with your new home design today. info@wisconsinloghomes.com
