THE LEGACY

TOTAL SQUARE FOOTAGE: 12,870

FIRST FLOOR: 5,530 SQ. FT.
SECOND LEVEL: 3,300 SQ. FT.
LOWER LEVEL: 4,040 SQ. FT.

A log and stone exterior combined with its rugged, elegant design reveals a grand lakeside or mountain lodge full of must-have amenities. A grand foyer welcomes guests into the great room with spectacular window wall. A family-style kitchen brings back cozy to this home with adjoining hearth room and formal dining. An impressive primary bedroom suite wing, unique octagonal-shaped office and guest suite puts everything needed on the main floor for easy day-to-day living. Upstairs, four additional bedroom suites, a library/media room and loft provide plenty of private space for guests. The lower level extends the entertainment possibilities with a colossal family room with wine room, bar, billiards room, theater room, plus two bedrooms and a handy hobby room for the fun-at-heart. Expansive outdoor spaces envelope the home in natural beauty: patio, decks, porches and balconies make living outdoors just as enjoyable as indoors.

OF OUR HERITAGE DESIGN

- Distinctive Log, Timber & Hybrid Product Selection
- Energy Efficient Thermal Log™ Building System
- On-Site & In-House Design Consultations
- Custom Architectural Planning & Design
- Turn-Key Construction Services Available
- Full Service Interior Design & Décor

Homes don't have to have a big footprint to make a big impact! Our homes are built around a specific lifestyle for each of their owners and we are in love with this one – slow, laid-back, and nature-focused. Definitely one of our "cozy cottage" favorites!
