THE JACKSON VERSION II

TOTAL SQUARE FOOTAGE: 5,808

FIRST FLOOR: 2,712 SQ. FT.

SECOND FLOOR: 1,006 SQ. FT.

LOWER LEVEL: 2,090 SQ. FT.

This four bedroom home showcases the finest amenities ideal for sophisticated wood home living, making it a popular starting point for our clients building throughout the Country. The functional first floor is pure comfort and captures incredible views from each room. The spacious kitchen, conveniently placed between the great room and sunroom, provides plenty of "bar style" seating and opens directly to the dining room. The first floor master suite is a private sanctuary and boasts a fireplace and access to the expansive patio. Upstairs are two secluded bedroom suites, while the lower level is complete with a full bar, recreation room, and additional bedroom.

CUSTOM LOG, TIMBER & HYBRID HOMES – NATIONAL DESIGN & BUILD SERVICES – FAMILY OWNED SINCE 1976

"Design is a balance between form and function... it takes two."

– Seesaw
