## THE GRANITE RIDGE

TOTAL SQUARE FOOTAGE: 3,558

FIRST FLOOR: 2,188 SQ. FT.

SECOND FLOOR: 1,370 SQ. FT.

An intricate window wall in the center of this versatile design is surrounded by classic rustic architecture to create a sophisticated, eye-catching home. Guests are welcomed into an impressive, window-filled foyer that leads to the soaring great room connected to an open kitchen and dining room. The master suite is privately located in the main level and provides patio door access to a private porch. Two additional bedrooms and bathrooms are located upstairs.

#### WHAT MAKES WISCONSIN LOG HOMES THE BEST CHOICE?

On a regular basis, we get asked the question "what makes Wisconsin Log Homes better than all the other companies out there?" Truth is, there are many reputable companies in this industry and we are grateful to have a longstanding track record of excellence and be amongst all of them. That being said, to answer our clients' question, these are the top reasons we feel we are the best choice...
